

LadderGrip

PRODUCT DESCRIPTION

LadderGrip is a slip resistant ladder rung cover which will fit the majority of ladders and is fixed into place using commercial grade adhesives.

LadderGrip will greatly reduce the risk of slips and falls, comes in a high visibility yellow colour and fits 95% of ladders. It is easy to install and hard wearing with a gritted surface for maximum safety in wet or oily conditions.

- Cut to any length
- Covers 25mm square or round ladder rungs

APPLICATIONS

LadderGrip can be used on 95% of ladders in any situation where extra safety and grip are required. Even in severe weather conditions such as off-shore applications and extreme chemical environments there is no adverse effect on performance.

- Installed on
- Truck Ladders
 - Tank Ladders
 - Fire Escape Ladders
